Description of Island III
ISILDS ’92 provided a forum for the discussion of issues of vital importance to the islands of the world, especially small island developing countries. Contributions were anticipated from specialists in academia, government, and industry, and also from individuals with a specific or general interest in the unique challenges faced by island regions.

Official Establishment
ISISA was officially established in 1992 on the occasion of the *Islands of the World III* conference held in Nassau, Bahamas.
